Summary

I'm an innovative and tech-savvy individual with a great passion for coding, machine learning, and web dev. My strong organizational and time management skills, along with my collaborative mindset, enable me to excel in team environments. I'm goal-oriented and driven, and I possess a tireless work ethic that consistently delivers results.

Experience

Marketing Director

Under25 • Jaipur, Rajasthan
06/2024 - Present

As the Marketing Director for the Under 25 Summit, I make strategic initiatives to promote the event, manage social media campaigns, and collaborate with partners to enhance brand visibility. My role involves analyzing market trends, creating compelling content, and driving engagement to ensure the summit's success.

President

Rotaract Club • Jaipur, Rajasthan
05/2024 - Present

As President of the Rotaract Club, I lead and manage our team, plan and oversee projects, and coordinate with Rotary International to achieve our community service goals. My role focuses on strategic planning, member engagement, and promoting our initiatives.
